

launchdarkly::server
_side::IClient

```
graph BT; Client[launchdarkly::server_side::Client] --> IClient[launchdarkly::server_side::IClient];
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a gray box representing the base class, and at the top is a white box representing the derived class. A blue arrow points from the base class to the derived class, indicating that the derived class inherits from the base class.
